PRODUCT CERTIFICATION

BSI Certified Product

John Bull's premium boot offer—featuring the quick closure and simple release BOA® Fit system that provides custom comfort and easy access to get your boots on and off quickly.

- Revolutionary world-first CushionCore comfort technology combines two compounds of PU injected into the midsole providing superior shock absorption at the heel while also providing rebound at the forefront as you step
- TPU outsole with aggressive self-clearing tread pattern providing superior grip, stability and abrasion resistance
- Super cushioning Comf2Bull airflow footbed of soft PU that's also antibacterial and washable
- Quick closure and simple release BOA® Fit system. Adjustable for a personalised fit
- Broad fitting 200 joule impact resistant Type 1 steel toe cap
- Coolmax® lining fabric helps transport moisture away from your foot, through the fabric, where it can evaporate quickly
- Extra heavy-duty heel guard and a TPU toe guard for extra scuff protection
- L-Protection® non-metallic penetration resistant insoles resist penetration even by small diameter nails and other objects

PU - Polyurethane | TPU - Thermoplastic Polyurethane
EVA - Ethel Vinyl Acetate | PUR - Polyurethane Rubber
